BIN SWEEPS

Safeguarding Your Grain® Since 1957

Protecting Your Investment

When months of hard work go into producing a grain crop, trust it to the best in grain sweeps: Brock.

Brock Solid® is our guarantee of trusted reliability you can count on day in and day out. It's unmistakable quality, built to last year after year. And it's the

same guarantee we founded the company on back in 1957.

Today, our dealers continue to uphold those standards, providing the superior service and support customers expect from Brock.

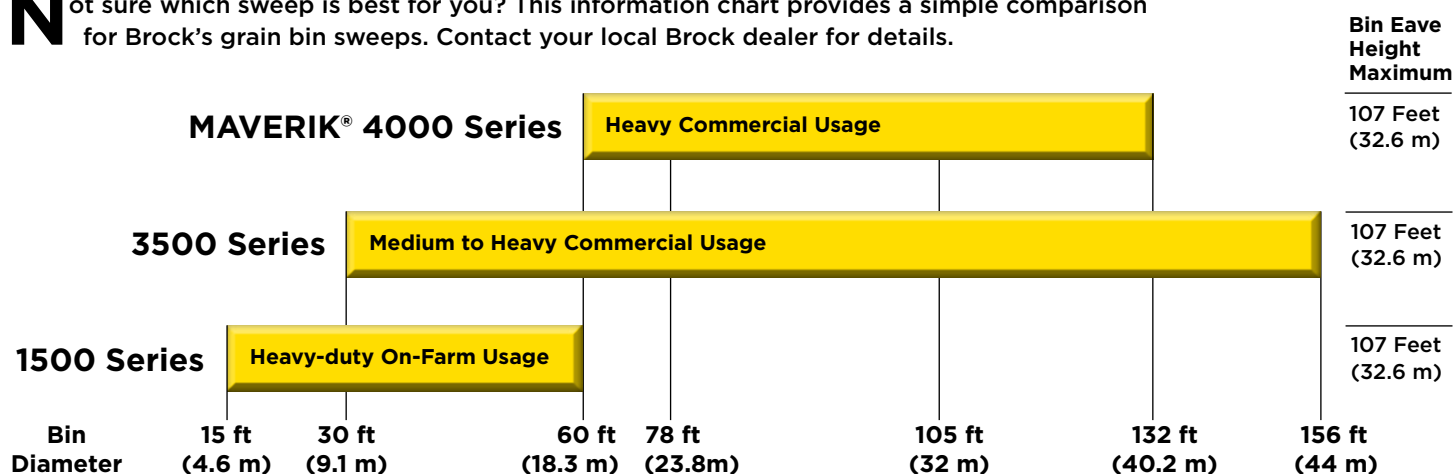

Brock Solid means you can depend on them and us. Times may

change, but our solid values are stronger than ever.

Whether you're a farmer storing your own grain or a commercial operation entrusted with safeguarding your customer's crops, Brock Solid delivers. Always has, always will.

Choose the Sweep Model That Best Fits Your Need

Not sure which sweep is best for you? This information chart provides a simple comparison for Brock's grain bin sweeps. Contact your local Brock dealer for details.

1500 Series

Heavy-duty Power Sweeps
